

Tasmanian Mental Health Reform Program

Information Sessions

Date: Thursday 15th October 2020

Session One: 2:00 – 3:30pm

Session Two: 4:00 – 5:30pm

Where: Tasmanian Hockey Centre Function Room,
19 Bell Street, New Town

The Tasmanian Mental Health Reform Program Team would like to invite you to come along to our second round of Information Sessions. The initial Information Sessions covered the 21 recommendations from the Mental Health Integration Taskforce and introduced the key actions being implemented by the Reform Program Team.

This is a great opportunity to receive an update on the progress the Reform Program Team has made to develop the program actions and have any questions you may have answered.

Two sessions covering the same information will be held to ensure as many people can attend as possible, noting that the venue has large capacity and ample parking on site.

If you are unable to attend and would like to be kept informed, please feel free to contact the Reform Program Team via email on

tas.mhreform@ths.tas.gov.au

We look forward to seeing you there and working with you in the future.
