

WARNING

Tanning units emit ultraviolet radiation;

Exposure to ultraviolet radiation contributes to skin cancer and skin ageing; repeated exposure further increases that risk;

People with fair skin who burn easily will not be permitted to use a tanning unit;

Further intentional exposure to sunlight or a tanning unit must be avoided for the next 48 hours;

Protective eyewear must be worn at all times while undergoing tanning unit exposure;

No person under the age of 18 years is permitted to use a tanning unit.
