

TASMANIA'S HEALTH PLAN

Tasmania's Health Plan operational framework

THP01 THP Community forums

Work with consumer representatives to hold bi-annual regional community forums to provide information and discussion about THP progress.

THP02 Develop a consumer engagement strategy

Consumer and community engagement is not an end in itself but an important step towards creating more effective health and human care services for all Tasmanians. This work is occurring in four stages:

- a) Develop agency consumer engagement policy options paper
- b) Develop policy framework for local planning and consumer engagement
- c) Develop local planning and public and stakeholder engagement processes
- d) Monitor implementation processes.
