

# A handbook for patients, their family or carers travelling to the

Royal Hobart Hospital

# Royal Hobart Hospital

The Department of Health and Human Services (the Department) is pleased to provide this information booklet. This booklet has been designed to provide you with much of the information you will need to get around the hospital and the local area. It includes information about transport, carpark, banking, chemist, accommodation and other support services.

The accommodation list is provided for information only. All the listed accommodation providers have agreed to publish the information in this booklet. The Department is not affiliated with any business and has no responsibility to inspect or control operations on the premises. The Patient Travel Assistance Scheme Coordinators would appreciate knowing if the accommodations do not meet patient expectations.

All rates are subject to change without notice. Visitors should contact the individual accommodation providers for further details (e.g. check in/out times, cancellation policies, etc.). Any concerns with the facilities should be discussed and resolved with the accommodation provider.

Updated December 2008

# Royal Hobart Hospital

The Royal Hobart Hospital (RHH) is Tasmania's largest hospital and the major referral centre. As the major centre of clinical teaching and research, it has a strong collaborative relationship with the University of Tasmania and other institutions.

The RHH provides acute, sub acute, mental health and aged care inpatient and ambulatory services to Hobart and surrounding areas. A comprehensive range of general and specialty medical and surgical services are provided including many statewide services such as cardiac surgery, neurosurgery, extensive burns treatment, hyperbaric medicine, neonatal & paediatric intensive care and high risk obstetrics.

Critical care services are often the patients' first point of contact and are divided into intensive care services and emergency medicine services. Other RHH facilities include the Geriatric Evaluation and Monitoring Unit and the Transitional Care Unit at the old Repatriation Hospital complex in Davey Street, and the Renal Unit at St John's Park, Newtown.

## Contact Details

48 Liverpool Street, Hobart, Tasmania, 7000

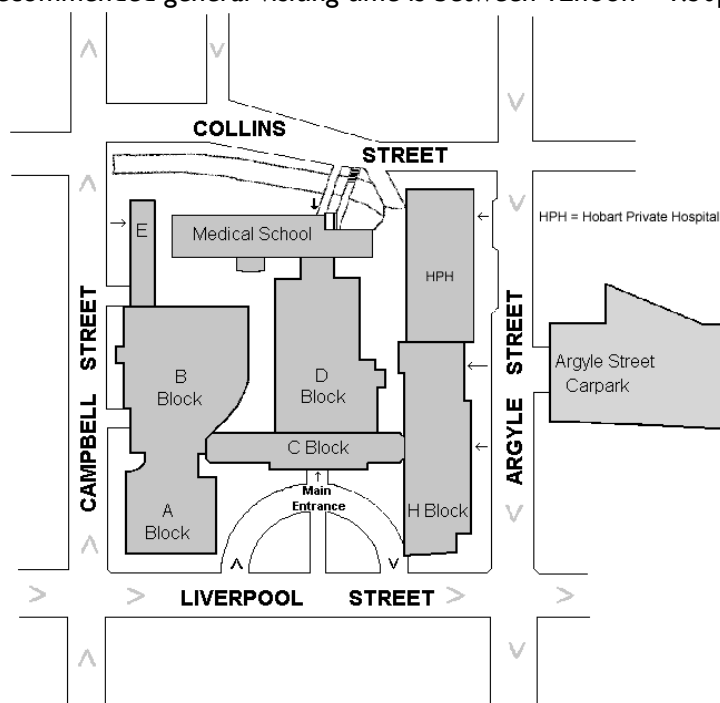

Phone: (03) 6222 8308

Fax: (03) 6231 3520

Enquiries counter for this Hospital is located at main entrance off Liverpool Street.

## Opening Hours

The RHH is a 24 hour facility; however various departments within the hospital have their own operating hours. Recommended general visiting time is between 12noon – 1:30pm and 3-8pm.

## **Social Work Department**

Social Workers work with individuals, families and community groups and they can assist you and your family in a variety of ways:

- **Psycho-social assessment:** evaluation and review of presenting problems and circumstances
- **Counselling:** alleviation of psycho-social problems, including personal and relationship difficulties
- **Crisis intervention:** assistance in coping in crisis situations
- **Bereavement intervention:** assistance in coping in situations of terminal illness, unexpected acquired disability or bereavement
- **Education and information:** provision of information regarding health issues, human development, interpersonal and social skills and coping strategies
- **Discharge planning:** collaboration with other health professionals to facilitate care coordination and continuity of care
- **Service coordination:** arrangement, facilitation and coordination of a range of services necessary to meet identified client needs
- **Liaison:** exchange of information with other service providers for the purpose of facilitating client service delivery
- **Referral:** assistance to access an agency, resource or professional known to be able to provide a needed service(s)
- **Advocacy:** direct representation or defence of the client's interest to ensure that the client's rights or entitlements are maintained

Social Workers can be contacted on

Location: 8 Floor, A Block, Royal Hobart Hospital  
Phone: (03) 6222 8354  
Fax: (03) 6222 8949

## Patient Travel Assistance Scheme (PTAS)

The Patient Travel Assistance Scheme provides financial assistance with travel and/or accommodation costs to Tasmanian permanent residents to access a range of specialist medical services where the services are not available locally.

This is an assistance scheme and you are expected to make a patient contribution.

### Am I eligible for PTAS?

You will be eligible for financial assistance under the PTAS if you:

- are a Tasmanian permanent resident;
- are being referred to
  - the nearest dialysis/oncology treatment centre more than 50 km (one-way) from your home; or
  - a specialist medical service/lymphedema treatment more than 75 km (one-way) from your home **or** not available in Tasmania;
- are travelling by a normal form of transport (the scheme does not meet ambulance costs);
- have a PTAS application form signed by your referring medical specialist, oral/maxillofacial surgeon or rural GP referring you to the nearest appropriate specialist; and
- receive treatment claimable under Medicare from a recognised medical specialist; and
- are not entitled to financial assistance through another scheme e.g. Motor Accident Insurance Board (MAIB), Department of Veterans Affairs (DVA), Workers Compensation, or other compensable schemes.

### What financial assistance is available for travelling in Tasmania?

Financial assistance is available towards approved air/sea and road travel, and accommodation (where applicable) expenses. You can either make your own travel and/or accommodation arrangements, and to claim reimbursement on your return home from the specialist treatment, or organise with your local PTAS Coordinator to pre-book your travel and/or accommodation.

The reimbursement rate for you and your approved escort(s) are as follows:

#### Travel

- the cost of return economy bus tickets, or
- private vehicle travel (19 cents/km) to and from the medical facility.

#### Residents of King Island and the Furneaux Islands

- the cost of a return economy airfare (island resident rates), plus the cost of the most economical, appropriate form of transport from the destination airport to and from the medical facility.

#### Accommodation

- a maximum of \$46 per night for commercial accommodation for each approved person.

## **Can I have someone to travel with me?**

The Scheme also assists with the travel and accommodation costs of an escort accompanying you if you are under the age of 18 years.

If you are aged 18 years or over, an escort may be eligible for financial assistance if the escort is necessary to actively assist you during your travel or treatment.

In some exceptional circumstances, approval may be given for financial assistance for more than one escort.

## **What contribution do I make?**

### **Travel**

Health Care Card or Pensioner Concession Card Holders are required to contribute \$15 towards the cost of each return journey. Non-card holders are required to contribute \$75 towards the cost of each return journey.

In any one financial year, the maximum contribution for a card-holder is \$120, and for a non-cardholder is \$300. If these limits are reached no further contributions will be required for that year. You and any approved escort are required to meet the additional costs incurred if they choose a more expensive form of transport than that approved (e.g. travel by air when road transport is assessed as appropriate).

### **Accommodation**

You and your approved escort are required to meet the cost where the accommodation cost is over the \$46 per night per approved person.

Non-card holders and your escort are required to pay the first two nights' accommodation costs for each stay.

## **How do I apply for assistance?**

Your referring medical specialist or rural general practitioner will normally provide you with the PTAS application form when you are referred for a specialist medical service. They should complete Section A of the PTAS application form at this time and give it to you to deliver to your local PTAS Coordinator.

It is important to note that the lodgement of an application form does not in itself represent approval.

### **Patient Travel Assistance Scheme Office**

Location: 8th Floor, A Block, Royal Hobart Hospital  
Phone: (03) 6222 8225  
Fax: (03) 6222 8949  
Switchboard Phone: (03) 6222 8308

# Transport

## Public Transport

---

Bus stop at the corner of Liverpool Street and Campbell Street near the main entrance of the Royal Hobart Hospital.

The main bus depot is located on Elizabeth Street, between Collins and Macquarie Street.

## Airlines

### Street Parking

Managed by the Hobart City Council, metered parking spaces are available in Campbell, Liverpool, Argyle and Collins Streets.

### Cancer Patient Transport System (*transport 2 treatment*)

---

The Cancer Council Tasmania provides transport for Tasmanian cancer patients and their carers travelling to treatment through a program called *transport 2 treatment*. The *transport 2 treatment* program provides a range of transport options as well as travel assistance for cancer patients around Tasmania. The program can also reimburse travel costs to people transporting friends or relatives to treatment and offers financial assistance to patients who can drive themselves but have difficulty meeting the high costs of travel.
