

## Consultation Questions – summary table

<b>Objectives (page 6)</b>	
1	What do you think about these objectives? Do you have any other suggestions?
<b>Principles (page 7)</b>	
2	What do you think about these principles? Would you add, remove or change any?
<b>Continuum of Care Model (pages 8, 29 and 36-38)</b>	
3	This model seeks to provide a stepped care approach along a continuum as defined in the Consultation Draft. What is your understanding of stepped care?
4	What are some of the opportunities and challenges associated with putting this model in place for Tasmanian AOD services?
5	From the perspective of your service/organisation or from your perspective as a client/consumer where do you see the service(s) you provide or use fitting in this model? What, if any, changes do you think need to be made to those service(s)?
<b>Reform Directions (pages 9-17)</b>	
6	Do you have any comments on these reform directions and the associated goals and actions identified in the Consultation Draft? Is there anything else you would like to see included?
7	Has anything changed in the AOD sector recently that also needs to be considered?
<b>Implementation and putting the reform agenda into action (pages 17-22)</b>	
8	From the perspective of your service/organisation or from your perspective as a client/consumer what do you see as the risks and challenges in implementing the Reform Agenda and these reform directions and actions?

9	From the perspective of your service/organisation or from your perspective as a client/consumer what do you consider the opportunities in implementing the Reform Agenda and these reform directions and actions?
10	Can you please indicate which of the specific actions you consider to be priorities (list up to 5 actions), and explain why?
