

PATIENT TRAVEL ASSISTANCE SCHEME (PTAS)

Travel and/ or accommodation subsidies are available to eligible Tasmanians.

PTAS provides financial assistance to eligible Tasmanians who need to travel more than 75km each way to access specialist medical services or public lymphoedema treatment not available locally.

Patients who travel more than 50 km (one way) to access the nearest renal dialysis or cancer treatment will now be entitled to PTAS benefits.

For more information about eligibility requirements or benefits, please contact your nearest PTAS office, or visit www.dhhs.tas.gov.au/ptas
