**NO.**

**Typical AAC Tasmania camps/activities occur over a 10 day consecutive period. Interstate AAC volunteers and employees can attend these activities.**

Q12) Are there any other exemptions that should be considered?

Comment:

**YES.**

**Volunteers and employees attending state and national events.**

Q13) Do you have any comments on the proposal that unregistered persons can be engaged in a position pending the outcome of their application?

**Question 13 does NOT align with current AAC Policy.**

**All applicants MUST complete the AAC Induction Package, including a National Police Check and applicable state or territory working with children checks, before commencement of position.**

Q14) Do you have any comments on the involvement of employers or organisations in the application process?

**Volunteer organisations typically struggle with management processes. Many managers of volunteers are part-time. Any extra burden on volunteer organisations can have a negative impact.**

Q22) Do you support the proposal for the WWCVS Screening Unit to contact the employer or organisation to advise of the issuance of an interim negative notice or in the other circumstances proposed?

**Strongly support.**

Q29) Do you have any comments on employees or volunteers being charged a fee for a WWCVS check?

**Most volunteers understand the need for a background check; however the issue of cost is still a great concern and potential barrier to applicants.**
